

The Procrastinating Quilters' Guild, Corp Board Meeting

April 15, 2010

The Executive Board of the Procrastinating Quilters Guild met at the Country Quilts and Bears Quilt Shop at 6:00 PM. Present were: Susan Herman, President; Terri Roberts, Vice-President; Maureen Wallace; Treasurer; and Pauline Mallory, Secretary.

Budget:

Results of the financial survey were published on the web. The majority of the members suggested using the additional monies to help pay for future program speakers and teachers. Since all the programs have been set for the year 2010, it was decided that the monies would be available, with membership approval, for future speakers. Most national speakers booked two years in advance and this would give the program committee some leeway.

Nominating Committee:

Susan Herman said she would select a committee at the next business meeting to start contacting people for next year's officers.

Respectfully submitted,

Pauline Mallory, Secretary
