January Freebie

~Butterfly~

Designed by Judy Reynolds

These designs are free for you to use as you please. They are not to be sold for profit. They may be digitized for personal use, but not for resale.

Shop Owners – You may use these designs as freebies in your store, or on your website, in kits or as sales incentives. Our name must appear on all designs. They may not be sold for profit.

These designs will fit in a 6" square nicely. Feel free to stitch them in blocks, on pillowcases, to frame or any way you'd like to show them off.

For redwork – we suggest using DMC Perle Cotton Size #8 thread in color #498 using a backstitch, French knot or lazy daisy where appropriate.

We also recommend using Transfer-Eze instead of tracing your design on your background. Transfer-Eze is a very pliable film that you photocopy your design onto. You then stick it to your background fabric and stitch as usual. Simply soak embroidery for 5-10 minutes and film disappears! A true time saver. Product is available at www.black-cat-creations.com.

Designed by Judy Reynolds of Black Cat Creations, 12/2010. Pattern may be reproduced for personal or shop use. Pattern may be placed on a website and/or used as a marketing tool for shops. Our company name or logo cannot be removed and must be visible on all copies and on all websites. Pattern may not be sold for personal or retail profit.
